We're blown away! **Ethos's** greatest strength is their support team. It is an excellent piece of software that can be suggested to anyone from small clinics to large chain hospitals.

**-Shree Jain Hospital & Research Center**

Being in a city with lot of patient management systems, I found **Ethos** to be quite comfortable and easy to use in our Asansol & Kolkata branches.

**-Sterling Hospital**

After disappointing with the previous software, our team demoed about 25 solutions. To be frank, **Ethos** has made us satisfied the most in which many failed.

**-Recovery Nursing Home(P) LTD.**

We are using **Ethos** from last 3 years. It is most affordable and had features unique to pharma business Modules which many competitors have failed.

**-Shree Vishudhanand Saraswati Marwari Hospital**

We are happy with the performance of the software and we are implementing **Ethos** in other branches too.

**-Bengal Neuro And Trauma Centre**
